

GANGSTA GRANNY

By David Walliams

Gangsta Granny is a fantastic book, just like all the David Walliams novels.

The story is about a boy called Ben and his Granny called...well...Granny who try to steal the Crown Jewels and are seen by the Queen...dun...dun...daaaaaaar. The novel is also about Ben, his Granny, his mum, his dad and their relationship.

Gangsta Granny is very emotional. It makes you feel sad, happy and makes you want to just read on! It made me giggle and I nearly cried at the end.

Perhaps if you are 7 and younger I would recommend you ask an adult to read it to you because it is such an awesome book. If you are 7 and over, I think you should read it without an adult if you want or with an adult.

At the end, in the Postscript, there is a cheeky, funny, naughty surprise involving the Queen. No I am not telling you, no no no, you have to find out for yourself. You will find out if you read the book.

Note

Dear kids, ask an adult to buy you Gangsta Granny and all the novels written by David Walliams because they are all equally excellent. Trust me I have read them all and they are brilliant!

Adults

You really need to buy your kids the David Walliams novels because they will keep your kids occupied for hours and give them great imagination after reading just one book.
